SPECIAL ANNOUNCEMENTS

State Teachers College has organized a Bureau of Visual Instruction, the purpose of which is to have a depository of all kinds of educational motion-picture films available at the college so that schools in the state may secure them at a minimum cost and delay. In addition to a number of still films, the college now has on hand about one hundred films dealing with Geography, Agriculture, Science, Health, etc. Payment of a ten dollar fee will entitle any school to unlimited use of these films throughout the school year. The only cost will be transportation charges of all films used. For complete information address:

Dr. Z. T. Johnson,
Director of the Bureau of Visual Instruction,
State Teachers College,
Hattiesburg, Mississippi.

DEPARTMENT OF MUSIC

The Department of Music has been completely re-organized so as to meet the requirements of the State Department of Education. Students may now specialize in Public School Music or in Applied Music. Professor Frank C. Marsh, formerly of Louisiana State Normal College, is the new head of the Department of Music. Professor Marsh comes to us with ample experience in preparing teachers in both phases of music. With our newly organized course of study and the leadership of Professor Marsh, students of music may rest assured that their needs will be fully met. Detailed information may be secured by addressing:

Professor Frank C. Marsh,
Head of Music Department,
State Teachers College,
Hattiesburg, Mississippi.
